INDUSTRIES

## ➤ Our Company

---

- WEXCO Industries is a privately held, woman owned, and an ISO9001 certified international supplier of custom engineered wiper components and systems.
  - WEXCO engineers, manufactures and assembles custom wiper systems for Class 6,7 & 8 trucks, school buses, RVs, agriculture & construction vehicles and specialty heavy duty vehicles.
  - WEXCO serves the heavy duty and automotive aftermarket segments with private label and award winning creative programs for distributors, installers and retailers.
-

## ➤ Original Equipment Manufacturing (OEM)

- WEXCO engineers and assembles heavy duty wiper systems for:
  - Agricultural and Construction Vehicles
  - Buses: School and Medium Duty Buses
  - Heavy Duty Trucks
  - Recreational Vehicles (RVs)
  - Specialty Equipment

## ➤ Aftermarket Solutions

---

- Full-line of universal wipers with multiple price and quality points to reach all customers
  - Multiple packaging styles to help manage merchandising, costs, and waste - blister, fleet and bulk.
  - Beam Blades with 100% coverage of all new automotive vehicles produced (2003+) in 11 SKUs
  - Full-line of heavy duty wiper blades for full coverage on all heavy duty vehicles
  - Aftermarket heavy duty wiper components such as motors, arms, pivots, and more
-
